Descriere: Provision of Cash Collection Services across Horsham District Council. The council requires a uniformed security service to collect and consolidate cash and coins from on and off street parking machines and Council Offices and any other location specified by the council. Also to provide a change delivery service. Cash Collected should be deposited at the Councils bank as specified in the Tender documents. Further information is available in the Tender documents which are available by registering on the Councils e-tendering platform via the link below: <https://www.sesharedservices.org.uk/esourcing>
