Termenul limita pentru depunere:	23.11.23	Pretul estimativ:	8.000.000,00 NOK 8.000.000,00 NOK

Descriere: The Research Council of Norway, c/o Accounting and Financial Management, invites tenderers to an open tender contest for a framework agreement for finance and accounting services. The Research Council of Norway needs assistance with various assignments with the system Unit 4 ERP. This also includes changes to the financial model for the accounting and budget work. Assistance is wanted within project and development work - both over short and long periods as needed, as well as assistance with integrations between existing and new systems. The contract's estimated value for the entire contract period, including options, is estimated to NOK 8 million, excluding VAT.
