Descriere: The framework agreement, hereafter called the Contract, shall cover the Contracting Authority's need for consumables within office supplies, free school materials and copy paper. Simple serving materials/equipment, tea and coffee are included in the office supplies product area. The objective of the Agreement is to cover the Contracting Authority's need for a solid and serious supplier of office supplies, free school material and copy paper, who can deliver a broad and deep spectrum of suitable products and associated service. The contracting authority needs a supplier who can offer the right products at the right price.
