Descriere: There is an identified need for a new Primary School at Southdale, West Lothian and the Local Authority is committed to continuing with its investment in the delivery of new Schools throughout the area. The Authority has committed to construct a new build single stream Primary School to meet the housing growth in the area. The Requirement consists of the construction of a new Primary School on a traditional contract basis. The requirement will also include the associated hard and soft landscaping, playing fields, SUDS and site infrastructure. It is anticipated that construction should be completed by July 2016.
