Descriere: The contract is for the delivery of digital system(s) for supporting the operation of exercise fields and other teaching facilities for use at the Contracting Authority's operations at BRSK, including delivery of the tenderer's standard system (in the contract documents called the Service). In addition the tenderer shall offer training and user support to users at the Contracting Authority in the offered digital systems. The contracting authority would like to enter into a contract with one tenderer for the delivery of the entire delivery. The contract period is up to 3 years from when the contract is signed. After this, the Contracting Authority has a unilateral right to an option for a contract extension for a further 2+2 years (maximum up to 7 years).
