Descriere: The contracting authority would like to enter into a framework agreement for the procurement of centrifuges for delivery to the health trusts in Western Norway. The centrifuges shall be used in various departments at laboratory clinics in Helse Bergen HF, Helse Stavanger HF, Helse Fonna HF and Helse Førde HF. In addition tenders are wanted for instrument dependent accessories for these centrifuges. The departments at the different laboratory clinics in Helse Vest use different types of centrifuges. In order to see to their different needs, the competition is thus divided into sub-contracts, cf. chapter 1.5. Tenders can be submitted for the following sub-contracts: Sub-contract 1: Floor centrifuges with cooling Sub-contract 2.1: Large table centrifuges with cooling Sub-contract 2.2: Large table centrifuges without cooling Sub-contract 3.1: Small table centrifuges with cooling Sub-contract 3.2: Small table centrifuges without cooling Sub-contract 4: Micro centrifuges/spinners.
