

Purchase of a stand-alone Wavelength Dispersive X-Ray Fluorescence instrument

I.D.: 90298482

Data publicarii	05.12.23	Coduri CPV	38340000
-----------------	----------	------------	----------

Descriere: JRC-Geel requires the supply and installation of a stand-alone (not bench-top, not hand-held) Wavelength Dispersive X-ray Fluorescence (WD-XRF) instrument to support the activities of TOBLAB and the Knowledge Centre for Food Fraud and Quality (KCFFQ). The instrument will be used to identify illicit tobacco and to authenticate food samples based on their geographical origin, botanical variety and manufacture process. The contract must include the supply, assembly and installation of the equipment as well as training of personnel and maintenance (including tools and consumables). A warranty period of 24 months needs to be granted.
