Descriere: Hurum eiendomsselskap KF (Hurum Property Company) would like to enter into an agreement with a turnkey contractor who can be in charge of the construction of an addition and renovation of Tofte School. The project includes upgrading of the existing school and the reconstruction of some rooms. Some functions shall be relocated internally in the building. New technical systems shall be installed, including ventilation, electrical installations and a HVAC system. Moreover, the school shall be expanded with an addition with an area of approx. 550 m². The outdoor area shall be upgraded and a separate bus stop/alighting area for students shall be established. The bus stop/alighting area is situated along the county road.
