
Purchase of a Student Information System

I.D.: 89046055

Data publicarii	08.11.23	Coduri CPV	72000000
-----------------	----------	------------	----------

Descriere: As described in contract notices 2022/S 061-160672 and 2022/S 224-645071, Aarhus University (AU) has conducted two market dialogues regarding the purchase of the new Student Information System and have published the market dialogue report as documentation hereof. Aarhus University has received the necessary approvals from the relevant Danish authorities and expects to start the tendering process by sending the contract notice for publication 15 November 2023 after which the contract notice and the tendering material is expected available after a maximum of 5 working days. Aarhus University is looking forward to the upcoming tender procedure and hopes for the same good and active participation.
