-----------------	----------	------------	----------

Descriere: Stavanger municipality c/o Sport and outdoor environment is considering to procure a flushing and suction vehicle in the near future. Stavanger municipality would, thus, like to have a dialogue with the market regarding the attached draft of the requirement specifications. The Contracting Authority specifically wants feedback on the draft requirement specifications from the supplier market. If a tenderer gives feedback, the tenderer is asked to provide a point number in the requirement specifications referred to. The deadline for submitting feedback to Stavanger municipality sets the deadline for Wednesday 6 December (12:00).
