Descriere: The competition is for transporting waste from 6 local waste reception centres to a central waste reception and transporting from a central reception to final treatment at Lierstranda and in Fredrikstad. The procurement's value is estimated to: NOK 4,200,000 excluding VAT per annum. The maximum value for the entire contract period, including any options and expected price rise: NOK 22,000,000 excluding VAT. The need is uncertain. The volume can vary both up and down, and in the contract period will depend on, among other things, the contracting authority's needs, ownership structure, assignment quantity, budget situation and other framework factors. See the procurement documents for further information.
