Termenul limita pentru depunere:

Descriere: Produsele si cantitatile se gasesc pe loturi in documentul atasat. // The products and quantities can be found by batches in the attached document. Producatorul va deține Certificat ISO 9001:2015 pentru domeniul specific achiziției sau un document care demonstrează existența unui sistem de management al calității ce acoperă cerințele standardului ISO 9001:2015. // The manufacturer will hold an ISO 9001:2015 Certificate for the specific field of purchase or a document that demonstrates the existence of a quality management system that covers the requirements of the ISO 9001:2015 standard. La livrare produsele vor fi insotite de urmatoarele inregistrari de calitate: • emise de fabricant: - Certificat de Conformitate / Declaratie de conformitate CE (dupa caz); - Certificat de Garantie (care sa indice in clar produsele livrate). • emise de furnizori: - Declaratie de conformitate CE, emisa de reprezentantul autorizat al fabricantului in spatiul economic european, daca nu este emisa de fabricant; - Certificat de Garantie (care sa indice in clar produsele livrate), daca nu este emis de fabricant. On delivery, products shall be accompanied by the following quality records: • issued by the manufacturer: - Certificate of Conformance / Declaration of Conformance EC (where applicable); - Certificate of Warranty (that clearly indicates the delivered products); • issued by the supplier: - EC Declaration of Conformance, issued by the authorized representative in the European economical area, if not issued by the manufacturer; - for all items Certificate of Warranty (that clearly indicates the delivered products), if not issued by the Manufacturer. TERMEN DE LIVRARE / DELIVERY TERM: 8-12 saptamani de la semnarea contractului; // 8-12 weeks from contract signed for items; GARANTII / WARRANTY 1. Garantia produselor va fi de 12 luni de la livrare. 2. Remedierea defectelor sau inlocuirea produselor, în perioada de garantie (inclusiv remedierea defectelor aferente transportului la și de la furnizor), se va realiza respectand cerintele de testare și fiabilitate prevazute la cap. 7, precum și cerintele de asigurare a calitatii prevazute la cap. 9. Livrarea produselor inlocuite în garanție, se va face prin transmiterea inregistrarilor de calitate în conformitate cu FPC-1084, respectand astfel prevederile cap. 5. // 1. The product warranty will be 12 months from delivery. 2. The repair of defects or the replacement of products, during the warranty period (including the repair of defects related to transport to and from the supplier), will be carried out in compliance with the testing and reliability requirements provided in the chapter. 7, as well as the quality assurance requirements provided in ch. 9. The delivery of products replaced under warranty will be done by submitting quality records in accordance with FPC-1084, thus respecting the provisions of ch. 5. Mai multe informatii se gasesc in documentul atasat. // More informations can be found in the attached document. Persoana de contact: Stroe Stefan. Nr. telefon: 0241 80 1154
