Descriere: Trysil municipality intends to enter into framework agreement for service and workshop services, as well as a framework agreement for tyre hotel and tyre services for the municipality's vehicles under 3500 kg. The aim of the procurement is to cover the contracting authority's ongoing need for a workshop supplier and tyre supplier who can see to the municipality's maintenance need for municipal vehicles under 3,500 kg, in a safe and good manner and that streamlines and reduce the transaction costs for municipal vehicle maintenance. A contract shall be signed with up to two tenderers. The contracts will be based on the attached contract terms. The sub-contracts will be evaluated separately and the tender with the best relationship between price and quality will be chosen for each contract. One tenderer can submit tenders for both contracts. The contracts' division are as follows: - Contract 1: Service and workshop services - Contract 2: Tyres and tyre services
