Descriere: Finnmark Hospital HF (FIN) would like to announce that it intends to enter into a contract for supplementary boat stand-by services in coastal areas in Måsøy and Hammerfest. The service involves being available for the ambulance service for special needs. The chosen tenderer is the non-profit organisation Rescue Company (Org.nr: 954 360 709). The rescue company is a voluntary, humanitarian member organisation that includes 1,600 rescuers, divided between 53 rescue skates.
