Descriere: The Contracting Entity is seeking information from the market in respect of its future requirements relating to HUC and Start-Up Support Accommodation Vessel. The Contracting Entity is seeking suitably qualified economic operators (contractors) to participate in the Market Sounding, which will help shape and inform / ground the decisions moving forward with the strategy for execution of the Neptun Deep Project. Please be advised that ExxonMobil Exploration and Production Romania Limited Nassau (Bahamas) Sucursala Bucuresti ("EMEPR") is conducting this market sounding as the operator of the Neptun Deep Project. This inquiry, as well as other similar inquiries, are a part of EMEPR's preparatory activities necessary to evaluate the technical and economic conditions for the project. No decision has yet been made to move forward with the Neptun Deep Project, and a wide range of issues will influence such decision to invest. Therefore, EMEPR will not necessarily conclude any contracts as a result of this inquiry. For additional information, please see the Attachment 1 Additional Description included below.
