**Descriere:** The contract work comprises a turnkey contract for engineering design, construction and guarantee responsibility for the new E39 between Mandal and Blørstad. The contract consists of approx. 9 km of four lane road and comprises, in addition, approx. 3.5 km access road, as well as some work on, and alterations of, local roads. Within these frames, associated bridges, tunnels etc. shall be constructed. The contract is based on NS 8407:2011 with a fixed price, and includes an initial phase with optimisation and clarification. The planned start of works is the first quarter of 2025 with completion 30 September 2027. There is a completed zoning plan for the stretch. Nye Veier reserves the right to adjust the deadline for completion, as this may be a negotiated procedure. Tenders that exceed the contracting authority's budget limit can be rejected. Tenderers who are invited to submit a tender and who submit valid tenders without reaching the competition for award of the contractual works, may receive compensation for the work performed in the tender phase of NOK 7.5 million excluding VAT.
