Descriere: PURCH1210 For the operation, maintenance and repair of Lifts Installations at the University of Glasgow. The University of Glasgow is seeking to establish a contract for the carrying out of a planned fully comprehensive maintenance, repairs, call-outs (24/7) and enhancements to the lift installation equipment within the estates portfolio, during the period October 2015 to September 2018; with the option to extend for an additional 1 year period. The university has over 300 buildings and 100 lifts in a variety of locations including campuses at Gilmorehill, Garscube and Rowardenan where the University retains responsibility. The Lift Asset portfolio represents a large capital investment and the quality of maintenance provided has a direct bearing on the life expectancy and the satisfactory operation of the plant and systems. We envisage to take 5 companies forward to ITT.PQQ documents available from Public Contracts Scotland. Returns should be submitted via Public Contracts Scotland, no paper copies will be accepted. Should paper tenders be submitted, they will be rejected. Further to this any questions or communications regarding individual tender exercises must be sent via the Public Contracts Scotland Portal. Tender queries received through any other channel will not be answered. Should users of Public Contracts Scotland have any problems with the web site they should contact website Support Desk, contact details can be found by following the 'Contact Us' option on the left hand menu at <http://www.publiccontractsscotland.gov.uk/default.aspx> Note: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at http://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=401318 The buyer has indicated that it will accept electronic responses to this notice via the Postbox facility.
