Descriere: This procurement is for the development of the Apprenticeships Suffolk employer service. Suffolk County Council (SCC) is looking to appoint a contractor(s) with relevant experience and a proven track record of working with employers to deliver an employer apprenticeship service. This will proactively sell apprenticeships to small and medium sized employers and provide a free and impartial service that supports employers to identify apprenticeship opportunities within their business; establish a partnership with an appropriate training provider; and recruit suitable candidates to fill their vacancies.
