

Residential and treatment services in the mental health and drugs and alcohol field.

I.D.: 91508899

Data publicarii	07.12.23	Coduri CPV	98000000 85000000
-----------------	----------	------------	-------------------

Descriere: Bodø municipality needs to provide residential and treatment services for users with challenges connected to mental health and drugs and alcohol. The service shall be provided in Bodø municipality's premises. According to bodø municipality's knowledge, there is only one actor who can fulfil our service requirements. Bodø municipality therefore intends to enter into a contract with the Salvation Army on 19.12.2023, 12:00, if there are no objections to the signing of the contract. If there are objections, it shall be sent to Bodø municipality through the MerCell portal.
