Descriere: The objective of the procurement is to enter into a contract for waste management services. We stay in Maridalsveien 29 in Oslo. The framework agreement will be valid for 2 years, with an option for an extension for a further 1+1 years, to a total maximum of 4 years. The contract's value is estimated to be NOK 1.6 million excluding VAT over four years. In 2022, the amount of waste was 110,000 kg divided between different waste types. This gives a guideline of the annual amount of waste to be handled.
