Descriere: The procurement service for the municipalities in Nord-Troms has been assigned, by one of the owners, Kåfjord municipality, to carry out a procurement of a new fire-fighting vehicles ASAP. Kåfjord municipality has an immediate requirement for a new fire-fighting vehicle, as the existing vehicle does not comply with the requirements and goals in relation to risk. Consequently a new fire-fighting vehicle must be procured rapidly. The fire-fighting vehicle can be a new complete vehicle, or a 3-4 year old complete fire-fighting vehicle that comply with the requirements given by Nord-Troms fire brigade. Kåfjord municipality is henceforth also referred to as the Contracting Authority.
