I.D.: 90380165

Data publicarii	06.12.23	Coduri CPV	24962000
Termenul limita pentru depunere:	16.01.24	Pretul estimativ:	110.000.000,00 NOK 110.000.000,00 NOK

Descriere: The competition is for precipitation chemicals. In this framework agreement, the following participants (joint purchasing party) - hereafter called the Contracting Authority/customer: Øvre Eiker municipality, Lier municipality (option), Ringerike Municipality, Modum municipality (option), Flå municipality, Hemsedal municipality, Hol municipality, Ål municipality, Gol municipality (option), Nore- and Uvdal municipalities, Lunner Municipality, Sigdal municipality, Wiken Vest Innkjøpssamarbeid (VVI), c/o Øvre Eiker municipality, announces and administers this framework agreement on behalf of the participants. The framework agreement shall cover other legal entities such as municipal companies and other bodies under municipal administration. If, during the contract period the Contracting Authority separates parts of the operations into separate legal entities or merge entities, these legal subjects and entities can connect to the signed contract on the same terms. The maximum value, including any options and the expected price rise is stated in point 1.1.4. The need is uncertain. The volume can vary both up and down and the contract period will depend on, among other things, the contracting authority's needs, activities, budgetary situations and other framework factors. See the procurement documents for further information.
