Descriere: The contracting authority invites tenderers to a tender contest for a framework agreement for the hire of lorries and construction machinery with and without drivers. The competition is open for all tenderers who have lorries/site machines that are relevant for assignments within the contracting authority's site and maintenance operations. The framework agreement applies for the period 01.03.2024 - 01.03.2027, and as an option the contracting authority can extend the contract period for one year. The competition is divided into the following sub-competitions/categories: 1. Excavators up to 10 tonnes (factory weight) 2. Excavators from 10 tons, up to 20 tons (factory weight) 3. Excavators from 20 tons, up to 25 tonnes (factory weight) 4. Lorries (and dumper trucks) 5. Drilling rig. Actual work locations will be within Hustadvika municipality's borders. The main emphasis of assignments in sub competitions 1-4 is for excavating and transporting masses for work on the municipality's roads, water and sewage network. The drilling of rock in the same type of work is mainly drilling in sub competition 5.
