Descriere: In the continually changing market in which EirGrid operates, EirGrid's Human Resource department requires the assistance of experienced human resourcing and recruitment specialists to assist with the sourcing of high-calibre staff, of various contract types, to all areas of its' business, in both Ireland and in Northern Ireland. EirGrid intends to establish a Recruitment Support Services Framework with a number of different Lots in order to meet these requirements. EirGrid intends to award contracts as follows for each Lot: Lot 1 — General Staff Sourcing: Multi-supplier framework; Lot 2 — Information Systems Staff Sourcing: Multi-supplier framework; Lot 3 — Human Resource Managed Service: Single supplier framework. Interested Candidates may choose to submit a PQQ response for consideration of qualification for one or more of the above framework Lots. The total duration of this Framework Agreement will be four years, with the possibility to extend up to an additional 12 months, subject always to the satisfactory performance of each successful supplier. For full details of this contract and the pre-qualification process please register your interest in the contract on the Irish Government Procurement Opportunities Portal (www.etenders.gov.ie) and download the Information Memorandum and Pre-Qualification Questionnaire document.
