Descriere: The Carers Information, Advice and Support Service will help to deliver the outcomes set out in the National Carers Strategy, Recognised, Valued and Supported 2010 and Calderdale's Carers Strategy 2012-2015 and The Care Act 2014. Carers will be universally recognised and valued as being fundamental to strong families and stable communities. Support will be tailored to meet individual's needs, enabling carers to maintain a balance between their caring responsibilities and a life outside caring, while enabling the person they support to be a full and equal citizen.
