Descriere: The Legal Aid Board is a large government organization of 550 staff which is expected to grow by 10 to 15 percent over the lifetime of the contract in 43 sites located across the country. The Legal Aid Board provides two primary services , a Civil Legal Aid and Advice Service, primarily in family law, to those of modest means and a universal access Family Mediation Service for couples separating or divorcing. Tenders are being sought from suitably qualified service providers for software support and maintenance as well as variable commitment for professional services and an optional software and security patching service. The Legal Aid Board is inviting qualified and experienced suppliers to submit tenders for the provision of: Support and Maintenance Services (Fixed Contract,) Professional Services (Variable Commitment) Software and Security Patching Service (Optional)
