Descriere: Framework agreements shall be procured for electrician services for the period 1.12.2015-30.11.2019 for the BTV-cooperation and the affiliated municipalities/entities. The competition is for a contract for the provision of electrician services. The contract's value is estimated to 15 000 000 NOK, excluding VAT per annum. The volume is estimated on statistics and the accounting figures for the procurement of equivalent products for the same buyer group for previous years, as well as future budgets. The volume must therefore be considered an estimate and not binding. Further information is in the complete tender documentation in Visma Tend Sign.
