Descriere: The Norwegian Defence Estates Agency invites tenderers to submit tenders for the following assignments: Parallel framework agreements for machine contractor services in the Northern Region, District Hålogaland, Evenes, Tjeldsund, Harstad and Narvik municipalities. The contracting authority intends to enter into parallel framework agreements with up to 3 tenderers, to the extent that the number of received tenders and qualified tenderers within the scope makes this possible. The Norwegian Defence Estates Agency reserves the right to cancel the competition if we only receive one qualified tender.
