Descriere: IT software package. Miscellaneous software package and computer systems. Systems support services. Software maintenance and repair services. Electronic intelligence system. Business intelligence software package. Fraud audit services. The Council is inviting tenders on the terms set out in this Invitation to Tender (ITT) for a single Contractor for the provision of a Fraud Intelligence Hub Solution, Support and Maintenance, Training and Implementation if applicable, and on-going Development of the System(s) and on a non-exclusive basis, as called off, additional functionality that maybe required over the term of ('the Contract').Leicester City Council has been awarded funds to lead a group of 10 East Midland Local Authorities to identify potential fraud across the areas of the participating authorities. Part of that funding, is for the Council to procure an off the shelf web based Intelligence Hub which would enable data collaboration, and data matching between those Authorities.
