Descriere: Lucrari de reparatii curente la instalatie electrica si tablouri de forta parter si etaj 2 corp Ela, facultatea de Energetica, pentru aducerea acestor instalatii la nivelul normal al standardelor tehnice si calitative si in concordanta cu cerintele actuale ale activitatii didactice (moderne) a facultatii, avand in vedere ca actualele instalatii electrice (cu unele completari) au fost executate cu 50 de ani in urma si au suferit uzuri fizice si morale. (conform proiect si caiet de sarcini)
