
Framework agreement for architect and consultancy engineer services.

I.D.: 89642166

Data publicarii	21.11.23	Coduri CPV	71000000
Termenul limita pentru depunere:	22.12.23	Pretul estimativ:	8.000.000,00 NOK 8.000.000,00 NOK

Descriere: The framework agreement comprises various architect and consultancy assignments in connection with maintenance assignments in Voss herad that are financed over the operational budget for maintenance. The maintenance can also include various alterations. Voss municipality has carried out condition analyses on all purpose-built buildings. These condition analyses will be rolled annually and follow the annual wheel in relation to the work on the economy plan and budget. The condition analyses will mainly form the basis for the planned long-term maintenance of the purpose-built buildings.
