Descriere: The British Council are issuing an Invitation to Tender for Consultancy and Professional Services under a framework agreement for the Professional Development and Engagement strand under the Newton Fund. We are seeking expertise from service providers delivering capacity building services within the research, innovation and community engagement sectors. This Invitation to Tender aims at building a bank of expertise to supply consultancy and professional services when demands arise from partner countries. This pool of experts will form the basis of successful delivery of the Professional Development and Engagement Programme and assist in achieving the broader benefits of the Newton Fund. In this Invitation to Tender, the British Council are seeking expertise in the following three areas of work: Lot A - Skills training Lot B - Research governance and management Lot C - Engagement with end users  
How to apply  
Deadline for responses: 29.6.2015, 14:00 UK time.  
All tender documents are accessible online at: <https://in-tendhost.co.uk/britishcouncil>  
You will need to register on this website in order to view the tender and download the relevant documentation. You will be able to send and receive correspondence through this site, and submit your response to the tender online.
