Descriere: This is a notice for social and specific services in accordance with Directive 2014/24/EU Article 24. The Department for Work and Pensions (DWP) intends to establish a system similar to a Dynamic Purchasing System (DPS) to procure Work Focused Activities in the Jobcentre Plus Central England Group area. The DPS is for the procurement of social and other services referred to in Regulation 74 of the Public Contracts Regulations (2015) and as such, the intention is to use a light touch regime, rather than the full regime described in Regulation 34 (Dynamic Purchasing System). The initial period of the DPS (6.7.2015 to 31.3.2016) will be a Proof of Concept, which will be thoroughly evaluated and if successful the DPS will continue until 5.7.2019. Please see Section VI.3 for details of other contracting authorities who may call contracts off the DPS.
