Descriere: The contracting authority shall enter into a new framework agreement to cover the municipality's ongoing need for work wear and protective equipment. The total contract value is expected to be approx. NOK 800,000 per annum excluding VAT. The total contract sum including the option years is estimated to NOK 3,200,000 excluding VAT. These figures are based on statistics from the last four years, but the estimate is by no means binding for Vefsn Kommune in the contract period. See the requirement specifications for each individual sub-contract for detailed requirements and descriptions.
