Descriere: Newport City Homes is procuring a framework of suitably experienced and qualified contractors to support the delivery of maintenance services by the in-house Property Services Team. The work issued is likely to be of low value as the framework will be utilised either when the in-house Team cannot deliver the required works, or, the volume of work received by the in-house Team exceeds the resources available. The in-house Team are tasked with completing as high a volume of work as possible, with the target for in-house delivery being increased year on year. NCH will seek proposals (at tender stage) that deliver its social, economic and environmental sustainability objectives. Further and more detailed information is set out in a pre-qualification questionnaire (PQQ) which is available on request (see section VI.3), II.1.6)).
