Descriere: FINANSinnkjøp AS is appointed by the municipality of Trøgstad (hereafter referred to as the 'Principal') to carry out a tender process (the 'Tender') for framework agreements with Suppliers of promissory notes for a period of 1 year with an option for extending the period in 3 subsequent single years (1+1+1 years). The purpose of the Tender is for the Principal to take up new promissory notes and/or refinance existing lines of credit including but not limited to existing promissory notes, certificates and bonds. The Tender shall not include new certificates or bonds as such instruments are exempt from the regulation on public procurement § 1-3 (2) (e). For more information see tender documents (post@finansinnkjop.no).
