Descriere: Service required - reporting of plain film images which cannot be accommodated by Board staff. The reporting of other modalities, primarily MRI but also a limited volume of CT scans may also be included. The service will be stand alone and be subject to report with previous history using Board's Radiology Information Systems. Provider must indicate each episode where they advise patient's previous history should be viewed. Each return will be made directly into the Board's Radiology Reporting Systems. The Board will supply the provider with relevant local operational protocols, ie fast tracking of chest x-rays to Consultant Physicians where clinical diagnosis merits this.
