Descriere: The Danish Ministry of Defence Acquisition and Logistics Organisation (DALO) would like to enter into a dialogue with the market so DALO can obtain information about commercial available vessels that, if possible, can form part of the Danish Marine Environment Response Team or substitute the ships. In the market dialogue, DALO would like to examine whether there are any available Oil and/or Chemical Spill Response Vessels. DALO would like to include the possibility of loan, leasing or purchase of available commercial national and/or foreign vessels, in the market dialogue. DALO has prepared a range of questions in this Request for Information (RFI), which DALO would like to gain information on. The questions are divided into the following categories: - Information regarding the company- Commercial and legal aspects - Technical aspectsThe material (RFI) for the market dialogue can be found on the tender platform ETHICS via the link in this prior information notice in the section called "Documents URL". Should you have any question in connection with market dialogue or this RFI contact Rie Jean Siiger on the following e-mail: fmi-sd-ma07@mil.dk. Deadline for answering the market dialogue is tuesday 16th of january 2024 at 12.00. Please send the reply to the e-mail stated above.
