Descriere: At the moment of launching this Market Consultation, EMEPRL (hereinafter referred to as Contracting Entity) is seeking information from the market in respect of its future requirements relating to the Thermoplastic Hose Umbilical and or the EH Flexible in the Romanian Black Sea. The Contracting Entity is seeking suitably experienced and qualified economic operators to participate in the Market Consultation, which will help shape and inform / ground the decisions moving forward with the preparation of procurement procedure for supply of umbilicals. Please be advised that ExxonMobil Exploration and Production Romania Limited Nassau (Bahamas) Sucursala Bucuresti ("EMEPR") is conducting this Market Consultation as the operator of the Neptun Deep Project. This inquiry, as well as other similar inquiries, are a part of EMEPRL's preparatory activities necessary to evaluate the technical and economic conditions for the project. No decision has yet been made to move forward with the Neptun Deep Project, and a wide range of issues will influence such decision to invest. Therefore, EMEPRL will not necessarily conclude any contracts as a result of this inquiry. For additional information, please see Attachment 1 Market Consultation Document included below.
