Descriere: The contracting authority would like, via this competition, to enter into a framework agreement for fuel from stations. The aim of the competition is to enter into a framework agreement for the purchase of petrol, duty free and duty diesel from stations. Some of the contracting authority's units may also procure products and services for the daily operation of the vehicles, vehicle care products, engine oils, accessories and vehicle washing. The framework agreement shall cover the entire municipality. Municipal and private entities and institutions that are mainly financed by municipal support can use the contract on the same terms as the contracting authority.
